FLAIR

FLAIR PLUS

Citroën is impacted by temporary challenges in the global supply chain, including certain component shortages. Unfortunately, this means some customers may experience significant delays to delivery. Due to the present production challenges, some options for models across the Citroën range are unavailable until further notice. Citroën may temporarily offer substituted standard equipment with replacement equipment. Citroën may offer vehicles with temporarily suspended features, delays in production may be subject to manufacturers price amendments. These are measures taken to secure production of vehicles for customers. As information becomes available from our manufacturer and working with our partners in the Citroën Dealer Network in Ireland, Citroën Ireland will endeavour to keep our customers up to date regarding the order status and equipment featured on their new vehicles.
