# DESIGN

With its robust and modern design, the Citroën Relay successfully combines utility and comfort. Its dynamic front end incorporates front LED daytime running lights\* and benefits from ergonomics which are flexible enough to meet the needs of all kinds of professionals.

*\* Optional.*

# FOUR LENGTHS

Citroën offers a range of vans available in four lengths – from 4.96 m to 6.36 m – and three heights – from 2.25 m to 2.76 m. With the rear doors open, the cube-shaped opening ensures that the load volume is maximised.

# CITROËN RELAY CONFIGURATIONS

The Citroën Relay offers your business a remarkable choice of body types to meet your exact needs.

# ENTERPRISE VERSION

---

Enterprise versions of Citroën Relay are perfect for professionals who demand great load carrying capability combined with advanced specification. All Enterprise versions come with air conditioning, 5-inch colour touchscreen with DAB radio, integrated Bluetooth hands-free and rear parking sensors as standard.

# LOAD SPACE

## THE MADE-TO-MEASURE COMMERCIAL VEHICLE

To make loading easier, the two hinged rear doors open to 96° or to 180° and are firmly held open by a clever system of retractable tethers.

The 270° opening option holds the doors flat against the sides of the vehicle using special hinges. Inside, the insulated full steel bulkhead (fitted as standard) isolates the driver and passengers from knocks and noise. Citroën Relay offers features which are the best in its category: 1.42 m between the wheel arches, 1.87 m between the partitions and rear doors up to 2.03 m in height.

*Endurance testing: the front doors, sliding side doors and rear doors are tested 500,000 times, simulating 10 years of use in extreme climatic conditions.*

 UP TO <b>1.9 t</b>	 <b>1.42 m</b>	 UP TO <b>17 m<sup>3</sup></b>
 UP TO <b>270°</b>	 UP TO <b>2.17 m</b>	 UP TO <b>4.07 m</b>

# EASIER ACCESS

Citroën Relay can be fitted with rear suspension with adjustable pneumatic compensation\*, which lowers or raises the loading sill for easier access. With its two sliding side doors\*, loading and unloading is easy in all circumstances.

According to the version, the width of opening of each sliding door varies between 1.08 m and 1.25 m, and the height between 1.49 m and 1.76 m.

*\* Optional dependent on version chosen.*

# COMFORT

## FOR UNRIVALLED OVERALL COMFORT

Designed to offer unrivalled comfort and wellbeing for each passenger, **Citroën Advanced Comfort®**, provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambience makes journeys feel effortless and intuitive technology gives control at your fingertips of the practical and unique features.

## TRUE MOBILE OFFICE

The spacious passenger compartment can carry three people in the front. The bench seat has an integrated table in the backrest of the central seat, which becomes a desk when you fold it. The large, glazed windscreen offers an extra-wide field of vision and excellent light levels. Care has also been taken with the acoustics, with a thick insulating bulkhead installed to considerably reduce noise.

# EVERYDAY COMFORT

## ERGONOMIC AND SECURE STORAGE AREAS

The upper part of the centre console has a desk panel for all your documents and also works as a holder\* for tablets (up to 10 inches) or a smartphone (from 4 inches). The dashboard has a USB port\* to charge your portable devices. Citroën Relay's cab includes a total of 13 storage compartments, making innovative use of space. Above the windscreen, the overhead storage compartment offers astonishing storage space, and is perfect for folders. It also has two closed glove boxes\*, cup holders, a compartment for a phone.

\* *Dependent on version.*

The image shows the interior of a Citroën Relay van, focusing on the steering wheel and dashboard. The steering wheel is black with a perforated texture and features the Citroën logo in the center. The dashboard has a digital display showing 'R135', '44', and '246'. The background shows a park-like setting with trees and a path.

# TECHNOLOGY

The refined interior favours functionality, wellbeing and comfort. The modern steering wheel gives an impression of strength from the first touch. Work and pleasure go hand in hand with Citroën Relay, which is equipped with 7 inch colour touchscreen with DAB radio, integrated Satellite Navigation, Mirrorscreen with Apple Carplay and Android Auto, Bluetooth® handsfree system, USB socket and steering wheel mounted controls\*. To connect a smartphone or any other portable device, the cab has a 12V socket as standard, found in the centre of the dashboard.

*\* Dependent on version.  
Requires a compatible phone.*

# EFFICIENT ENGINES

Citroën Relay offers a range of high-performance diesel engines suited to all uses, both in town and on motorways.
