Electrochrome Rear View Mirror  
'Black Diamond' roof and rear spoiler  
Handsfree Smart Electric Tailgate (foot operated)  
Row 2 Rear central armrest with two cupholders and smartphone holder  
360° Vison & Drive assist pack including highway assist 2.0  
PEUGEOT shield on front wings  
Sunblind's integrated in the rear doors  
Heated steering wheel  
19" diamond cut alloy wheels

## NEW 5008 PRICES

Recommended prices

	CO <sub>2</sub> * (g/km) (1)	TAX BAND	ANNUAL ROAD TAX	ALLURE	GT
<b>ELECTRIC</b>					
Electric engine 210 hp (157 kW)-Battery 73 kWh	0-0	A	€120	€50,995***	€54,995***
<b>HYBRID</b>					
Hybrid 145 e-DCS6	128-135	B1 - B2	€200 - €210	€50,995	€54,995

- WLTP data currently being approved. Minimum-maximum mixed WLTP CO2 emissions on the engine The CO2 emissions from the vehicle depend on the version selected as well as the options on the vehicle.
- \*\*Dealer delivery related charges, metallic paint and tyre recycling levy not included.
- \*\*\*Includes SEAI grant and VRT rebate & Dealer delivery related charges, metallic paint and tyre recycling levy not included.

(1) The CO<sub>2</sub> emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO<sub>2</sub> emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO<sub>2</sub> emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO<sub>2</sub> emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO<sub>2</sub> emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on [www.peugeot.ie](http://www.peugeot.ie)

# STANDARD EQUIPMENT

## SAFETY

### 8 Airbags

Front passenger airbags (includes passenger airbag deactivation function), driver, front passenger and row 2 lateral seats side airbag, front & rear curtain airbags (head and thorax).

ESP (Electronic Stability Program) with Hill Start Assist & indirect under inflation detection

ISOFIX and Top Tether fasteners on row 2 rear side seats

Electric parking brake

Pneumatic emergency kit (12-volt compressor, sealant bottle, towing eye, 2 wheels chocks)

PEUGEOT LED Technology headlamps with 3-claw LED daytime running lights

Rear 3-claws LED 3D lights

## ADVANCED SAFETY

VisioPark 2: 360° Vision with 4 exterior cameras with front and rear sensors

- Adaptive Cruise Control with ‘Stop & Go’
- Advanced Emergency Braking System with video camera & radar (AEBS3)
- Active Lane Keeping Assist
- Blind spot monitoring
- Rear cross traffic alert (RCTA)
- Extended traffic sign recognition and speed recommendations
- Driver attention alert
- PEUGEOT SOS & Assistance

# STANDARD EQUIPMENT

## EXTERIOR AESTHETIC

### Style attributes

- Black lacquered strip between the headlights with '5008' logo'.
- Body-coloured front grille, glossy black side scoops, Meteor Grey lower decor, black grained lower skirt
- Dark tinted rear windows, quarter windows, & tailgate window
- Concealed weatherstrips
- Black grained wheels arch claddings & door lower protections.
- Glossy black strip between the rear lights with « PEUGEOT » lettering
- Rear bumper with Meteor Grey decor & black grained lower skirt
- Body- coloured rear spoiler
- Front monograms: 'Peugeot Shield' and '5008'
- Rear monograms: 'PEUGEOT', '5008' and 'Hybrid'

## WHEELS & RIMS

19'' diamond-cut alloy wheels – Electric

18'' alloy wheels - Hybrid

# STANDARD EQUIPMENT

## INTERIOR AESTHETIC

Peugeot Panoramic i-Cockpit® with 21'' HD curved and floating screen  
Style elements

- Foamed dashboard with RIMINI heathered fabric & Graphene alcove, glossy black front panel and air vents with Stene Grey decoration
- Doors panels with RIMINI heathered fabric decoration, Graphene alcove & Stene Grey strip, Isabella TEP armrests with Quartz stitching (front)
- Centrale console with RIMINI heathered fabric, glossy black front panel, Stene Grey strip & RIMINI heathered fabric armrest

PEUGEOT i-Cockpit®: Compact multifunction steering wheel finished in full grain leather with coloured stitching, gloss black and satin chrome detailing

Black interior & headliner

## COMFORT

Keyless entry with 'proximity' locking and unlocking  
2 keys (with lock, trunk, unlock buttons)

Tri-zone automatic air conditioning

Heated steering wheel

Interior lighting

- Front & rear reading LED lights
- Glovebox & centrale console storage illuminated with LED
- Front footwell LED lights

Automatic front wipers

Sequential electric front & rear windows with anti-pinch feature

2-position trunk floor

4 retractable grab handles

Heated, electric folding door mirrors with courtesy approach lighting

Electrochromic interior mirror with frame

# STANDARD EQUIPMENT

## UPHOLSTERY & SEATS

Driver & passenger seats with manual height adjustment

Row 2 sliding bench (60/40) with 3 individually reclinable backrests (40/20/40) with Easy Access function to the third-row seats  
 2 seats bench in the third row with 50/50 reclinable backrests

Embossed CRISPY fabric upholstery, TEP Isabella support, heathered RIMINI fabric scarf, Quartz stitching

## MULTIMEDIA & NAVIGATION

PEUGEOT i-Connect® Advanced

- 3D connected Navigation
  - Radio DAB, Bluetooth® (2 smartphones connexion), wireless Mirror Screen (Apple CarPlay™ / Android Auto™)
  - Peugeot Connect SOS & Assistance
  - 1 USB-C socket (data and charging), 1 USB-C socket (charging)
  - ‘Over the air’ map updates
  - Customisable Virtual ‘i-Toggle’ display
  - Smartphone Wireless Charger (15 Watts) with status light and ambient lighting

### 6 speakers

2 tweeters & 2 woofers at the front, 2 wide-band speakers at the rear

3 X 12 V sockets (centre console, rear of centre console, boot)  
 Wireless smartphone charger (15 W)

## ELECTRIC SPECIFICITIES

3-phase 22kW Mode 3 electrical charging cable

3-phase 11 kW on board charger  
 ‘E5008’ rear monogram

GT TRIM

Equipment's in addition to ALLURE equipment

SAFETY

- PEUGEOT PIXEL LED headlamps with 3-claw LED daytime running lights
- Adaptive High Beam Assist with Anti-Glare function and Boost function
- Full 3D LED rear lights with PEUGEOT ‘Claw effect’

DRIVING AND MANOEUVRING AIDS

- Drive Assist Pack
- Adaptive Cruise Control with Stop & Go function
  - Driver Attention Alert (DAA3)
  - Long Range Blind Spot Monitoring
  - Rear Cross Traffic Alert (RCTA)
  - Highway Assist 2.0

VisioPark 2: 360° Vision with 4 exterior cameras with front and rear sensors

EXTERIOR AESTHETICS

- Style Elements
- ‘PEUGEOT’ shields on the front fenders
  - Glossy black front & rear lower bumper skirts, wheel arch claddings and door lower protections (Electric)

Black Diamond & rear spoiler

## EQUIPMENT DETAILS

### PEUGEOT i-Connect® Advanced \*

PEUGEOT i-Connect® Advanced offers a complete technological experience, with its high-performance and efficient TomTom® connected navigation. For optimum readability, the map can be displayed on the entire touch-sensitive part of the 21" HD screen or on the digital cluster side and can be updated 'over the air'.

The 'OK PEUGEOT' function, which uses natural language voice recognition, improves safety and ease of use by providing access to all functions.

\* Included in the Panoramic Navigation pack

### PEUGEOT virtual i-Toggles \*

Located on a second touchscreen on the dashboard, the Virtual i-Toggles are shortcuts to 10 main functions: air conditioning control settings, navigation, telephone, radio, wall of applications, etc. The Virtual i-Toggles give access to the permanent homepage shortcut, in first position, while the other five shortcuts can be modified according to the user's choice. A swipe of the screen gives access to 5 additional configurable shortcuts.

\* Included in the Panoramic Navigation pack

## EQUIPMENT DETAILS

### Drive Assist Plus 2.0 (semi-autonomous driving) \*

- This system combines 4 functions to manage semi-autonomous driving in specific conditions:
- Adaptive Cruise Control with Stop & Go function and Lane Positioning Assist: the vehicle manages steering and speed.
  - Semi-Automated Lane Change: assists the driver in overtaking or changing lanes in complete safety.
  - Anticipated speed recommendation: based on the vehicle's connected navigation system, it anticipates speed limit changes and suggests the driver to adapt speed accordingly.

\* Included in the 360° Vision & Drive Assist Plus pack.

### PEUGEOT PIXEL LED Headlamps

Adaptive lighting: the system automatically adapts the headlamp beams to traffic conditions, maintaining optimum lighting with 6 specific modes adapted to each driving situation and 2 curves lighting functions.  
 Adaptive High Beam Assist: the system switches to high beam as soon as conditions allow. It detects the contours of vehicles ahead and their movement to create an anti-glare zone and avoid dazzling other road users.  
 At high speeds, a boost function increases the light intensity in the centre of the beam.

# EQUIPMENT DETAILS

## Adaptative bolsters\*

By inflating or deflating pneumatic inserts located in the side bolsters of the backrests, the system allows front passengers to adjust the lateral support of their electrically adjustable seats\* to suit their body shape and driving conditions: tighter for better support and driving sensations, or looser for optimized comfort. These AGR-certified\*\* front seats are also heated, ventilated and massaged (8 programs, 3 intensities). Heated rear side seats.

\* Included with Executive Mistral interior.  
 \*\* Aktion Gesunder Rücken (German Association for Back Health)

## Clean Cabin

The Clean Cabin system is a complete incoming air management system that acts on pollution both inside and outside the vehicle. Thanks to its high-efficiency filter, it purifies the air inside the vehicle in just a few minutes. The central screen gives the driver access to the indoor air quality index calculated using a particle sensor.

## EQUIPMENT DETAILS

### Exceptional living space

The new E-5008 is capable of adapting to all needs, offering from two to seven comfortable seats with a remarkable load capacity. The exceptional modularity enables a wide range of configurations between row two (60/40 bench seat, 40/20/40 backrests) and row three (50/50 backrests).

The new E-5008 offers a trunk volume of 748 dm3 VDA in a 5-seater configuration (259 dm3 VDA in a 7-seater configuration). With all the rear seats folded down, the new e-5008 offers a huge flat floor area, and a trunk volume up to 1,815 litres.

### Easy Access system

The Easy Access system improves considerably the accessibility to third row seats. This new cinematic allows the seats in row 2 to be fully tilted and slid forward simultaneously, using a single control located on the upper part of the backrest.

Combined with the wide opening offered by the large rear doors, Easy Access system makes it easy for passengers of all sizes to fit into the seats in row 3

WEIGHTS & LOADS		
Kerb weight (kg)		1,625
Weight in running order (kg)		1,700
Gross vehicle weight (kg)		2,330
Maximum towable weight (braked) (kg)		750 / 1 000 (with OEM tow hook option)
Authorized total rolling weight (kg)		3 080 / 3 330 (with OEM tow hook option)

\* WLTP data undergoing certification. CO<sub>2</sub> emissions WLTP mixed minimum-maximum on the engine. The CO<sub>2</sub> emissions of the vehicle depend on the version chosen as well as the options present on the vehicle.

(1) The CO<sub>2</sub> emissions given are mixed and expressed in grams per kilometer. The fuel consumption and CO<sub>2</sub> emission values given are in accordance with WLTP type approval (EU Regulation 2017/948). Since September 1, 2018, new vehicles have been type-approved on the basis of the globally harmonized test procedure for light vehicles (WLTP), which is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions. This WLTP procedure completely replaces the New European Driving Cycle ( which was the test procedure used previously Because the test conditions are more realistic, fuel consumption and CO<sub>2</sub> emissions measured under the WLTP procedure are, in many cases, higher than those measured under the NEDC procedure Fuel consumption and CO<sub>2</sub> emission values may vary depending on specific equipment, options and tire types. Be sure to contact your point of sale for more information. More information at [www.Peuqeoat.ie](http://www.Peuqeoat.ie)

# TECHNICAL SPECIFICATIONS

**HYBRID**  
Hybrid 145 e-DCS6

## PERFORMANCE (Driver only)

Maximum speed (km/h)	200
0 -100 kph (s)	11.3
1 000 m standing start(s)	33.6
30 to 60 km/h in Drive (s)	3.1
60 to 90 km/h in Drive (s)	4.3
80 to 120 km/h in Drive (s)	7.2

## WLTP RANGE, CONSUMPTION & EMISSIONS

WLTP combined consumption (l/100km)	5,7 - 5,9
WLTP combined CO2 emissions (g/km)	130 - 133
Driving Sound level (dB)	67

## WHEELS & TIRES

Type of tyres (standard or option, depending on version)	225/55 R19 103V
	Michelin e-Primacy

## BRAKE & SUSPENSIONS

Type of front / rear brakes	Discs 330x30 mm / 330x14 mm
Type of front / rear suspension	Pseudo Mac-Pherson / Twist beam

\* WLTP data undergoing certification. CO<sub>2</sub> emissions WLTP mixed minimum-maximum on the engine. The CO<sub>2</sub> emissions of the vehicle depend on the version chosen as well as the options present on the vehicle.

(1) The CO<sub>2</sub> emissions given are mixed and expressed in grams per kilometer.
